A program operated by the accredited
City of Atlanta,
Dept. of Parks, Recreation and Cultural Affairs.

On behalf of the City of Atlanta's Department of Parks, Recreation and Cultural Affairs, we would like to welcome you to the Adamsville Natatorium. This state of the art facility has given us the opportunity to offer to Atlanta's citizens a vast variety of balance recreational activities for all ages

We encourage you to come out and take advantage of all the activities, you will find something for all ages. From our Learn-to-Swim classes for toddlers through adults, to our water aerobics classes and swim team. There is healthy fun to enjoy for all ages.

Water aerobics provides a cardiovascular and body-toning class with minimal impact on the joints. With different instructors, there is variety in the times offered, types of exercises, and styles of music used.

The Developmental Swim League (DSL) provides an introduction for the competitive swimming of the City of Atlanta Dolphins (CAD) swim team. Beginning with learn to swim, students gain the basic motor skills needed to advance and progress through the upper levels of swimming, progressing to DSL and then CAD.

We encourage your suggestions for improving our services as well as seeking new programs and creative ideas. Call us at (404) 505-3189.

Thank you for letting us provide your recreational needs.
